

2014 ANNUAL REPORT

JEWISH 
COMMUNAL
FUND Your personal connection
to charitable giving®

We thank you for helping us have such a significant and positive impact in our community and in Israel. It is our great honor to serve the Jewish community by providing an easy and efficient vehicle to streamline charitable giving and facilitate philanthropy.

Your decision to use JCF for your charitable giving generates critically important funding for JCF's Community Gift to UJA-Federation of NY and our Special Gifts Fund (JCF's institutional endowment). Your generosity enabled us to award a community gift of \$2 million to the UJA-Federation of New York's Annual Campaign and to send \$100,000 from JCF's Special Gifts Fund to the Israel Trauma Coalition. In addition, the Special Gifts Fund awarded \$550,000 in grants to agencies in the New York area including a \$300,000 grant to help Metropolitan Jewish Health System (MJHS) construct the first hospice inpatient residence in New York City to care for children as well as adults and name its Care Coordination Center.

Jewish Communal Fund's dedication to excellence and commitment to outstanding personal service has propelled us to yet another record-breaking year. JCF maintained our place as the highest-ranking Jewish organization in the *Chronicle of Philanthropy's* Top 400 national charities list. A leader in the world of philanthropy, JCF continues to be the largest and most active Jewish donor advised fund in the country, managing over \$1.3 billion in charitable assets for 3,100 funds. JCF distributed a record \$329 million in grants to charities in all sectors during the 2014 fiscal year ending June 30, 2014. This represents an increase of 17% in grant dollars as compared to the previous year. In addition, JCF fund holders recommended a record-number of grants—39,000—a 10% increase from 2013. The incredible growth in the number and amount of grants distributed in fiscal year 2014 reflects the enormous reach that Jewish Communal Fund has, both in the Jewish world and in the secular community. With the support of our valued donors, we hope that this trend will continue in the year ahead.

Recently, JCF introduced a new and improved Donor Portal that makes it easier and more efficient than ever for our fund holders to make grants online. Over the course of the year, we will continue to add innovative functionality to this site to improve the user experience. Other new services include

complimentary seminars with our investment advisor, Michael Miller of Colonial Consulting. In small group settings, Michael explains the process for vetting the investments on our platform and strategies for selecting assets allocation. A new mission-related Israeli investment, Market Vectors Israel ETF, was added to our platform, and our latest resource guide, "Funding Jewish Innovation," a collaborative effort with Slingshot, can be accessed on our website and was distributed at conferences for Jewish funders.

In addition to serving Jewish charities by offering fiscal sponsorships, JCF also introduced a program for Designated Funds. A Designated Fund is an endowment alternative that operates for the benefit of a 501 (c) (3) charity and can be an important vehicle for building an organization's long-term sustainability. We have also increased our capacity to serve the advisor community, providing resources and education about philanthropy and donor advised funds to a growing network of attorneys, accountants and wealth managers.

JCF continues its commitment to serve a very broad network of Jewish funders at every level. We have maintained our low entry threshold of \$5,000 (\$1,800 for Children's Giving Fund) and have also introduced an array of specialized services for high-net worth clients and their families. For donors with balances of \$1 million and above, JCF's Private Client Group offers customized services, as well as connects donors to the highest quality consultants in a variety of areas that relate to charitable giving.

We are inspired by our community's generosity and look forward to expanding our efforts to help you engage thoughtfully and effectively in your philanthropy.

NEW PHILANTHROPIC RESOURCES

A

JCF continues to be a leader in fostering support for innovation in the Jewish community. JCF recently published **"Funding Jewish Innovation: A Resource Guide,"** which provides concrete steps for finding and funding innovative Jewish projects and organizations. The Guide can be downloaded for free at <http://www.jcfny.org/innovation>.

B

JCF has just released its first app—**Clink! Making Change by Giving, a Tzedakah App for Teens**. The interactive app is designed to engage tweens and teens in what it means to give Jewishly. Look for **Clink!** in the iTunes store.

C

JCF continues to be a sponsor of the Slingshot Guide, an annual guide to innovative Jewish charities. Additionally, JCF was selected as one of the resource providers for administrative support for giving circles created through Amplifier: The Jewish Giving Circle Movement, a new initiative powered by The Natan Fund.

DOUBLING YOUR IMPACT

When you give through JCF, your fees enable us to award an **annual Community Gift of \$2 million to the UJA-Federation of New York's** Annual Campaign to help those in need at home and abroad.

This year, JCF's institutional endowment, known as the Special Gifts Fund, awarded an additional \$650,000 in grants to innovative projects and agencies in the New York Jewish community.

\$300,000 — To help **MJHS** construct the first hospice inpatient residence in New York City to care for children and adults.

\$250,000 — To UJA-Federation of New York's **Enhanced Support Services for Jewish Single-Parent Families Initiative**. Single-parent families represent a critically underserved demographic with unique needs and challenges.

\$100,000 — To the **Israel Trauma Coalition**, which brings together more than 40 organizations in Israel to help individuals and communities cope with the psychological stress from the unrelenting violence. During the recent conflict, ITC saw a 1300% increase in requests for help.

Overview

DONOR CONTRIBUTIONS

An initial tax-deductible contribution of \$5,000 or more in cash and/or appreciated marketable securities* is required to establish a donor advised fund, including Memorial and Wedding funds. The Children's Giving Fund and NextGen Giving Fund (18–30) may be established with a minimum gift of \$1,800. A donor may make additional contributions to the fund at any time in any amount. Contributions may be made by friends, family, private foundations, corporations, or in conjunction with assorted estate planning tools such as Charitable Remainder Trusts, Charitable Lead Trusts, bequests and retirement plan assets.

*Securities held for over one year.

GRANT MAKING

Donors at the Jewish Communal Fund enjoy the privilege of recommending distribution of principal and income of the assets in their fund to sectarian and nonsectarian institutions that are recognized by the IRS as tax-exempt, publicly supported charities that are eligible to receive grants from donor advised funds. All grants are for charitable purposes. Donors also have the opportunity to extend this privilege to others whom they so designate. All recommendations are subject to evaluation by our staff for adherence to JCF's policies and procedures. We consider donor recommendations to be of profound importance and give them full consideration and respect in our grant determinations.

LEGACY CIRCLE

The JCF Legacy Circle is a bequest society that recognizes people who plan to extend their tradition of charitable giving beyond their lifetimes by including JCF in their estate planning. Whether your bequest replenishes an existing fund, creates a memorial fund or establishes a new fund for family members, you can leave a meaningful and thoughtful legacy here at JCF. There are many ways to fund your legacy, including: IRA and pension plans, cash, bonds, securities, charitable remainder trusts, gifts of real property and insurance policies. Legacy Circle members may be recognized in the JCF Annual Report, receive our Legacy Scrapbook and Guide or Legacy Reflection Planner, and benefit from educational seminars focused on fostering multi-generational discussions around philanthropic values.

JCF NEXT GENERATION ENGAGEMENT

JCF Next Generation Engagement hosts educational events and develops resources to help people in their 20s and 30s be more thoughtful about their charitable giving. Since its inception in 2011, JCF has forged a community of young professionals who are like-minded in their desire to make a greater impact with their philanthropy. Together with our strategic partner, Slingshot, we published the JCF Guide to Funding Jewish Innovation, which demystifies what it means to fund innovation in the Jewish world.

PRIVATE CLIENT GROUP

For donors who are heavily engaged in philanthropic pursuits and may require assistance with contribution of complex assets, guidance with investments or philanthropic strategies, JCF has created the Private Client Group. Significant charitable impact can be achieved with the enhanced services available to the Private Client group, which includes donors with minimum fund balances of \$1 million. Offerings include complimentary advisory sessions with top-tier philanthropic, legal and investment experts; facilitation of international grant-making; and special expertise in mission-related investment options. To learn more about the Private Client Group, please visit jcfny.org/privateclient.

FEES AND EXPENSES

Each fund is assessed a monthly fee for services based on the average daily net asset balance. The sliding fee schedule, per annum, operates as follows:

Balances less than \$5 million	0.75% (75 basis points) or \$150 per annum, whichever is greater*
Next \$15 million.....	0.50% (50 basis points)
Next \$20 million.....	0.10% (10 basis points)
Balances above \$40 million	0.05% (5 basis points)

*Minimum annual fee for Children's Giving Funds with balances under \$5,000 is \$100.

In addition, funds are subject to commissions and fees incurred in connection with the sale of contributed property, as well as outside management expenses associated with each investment portfolio.

Overview (continued)

INVESTMENTS

In consultation with its investment advisors, the Investment Committee of the Jewish Communal Fund periodically reviews investments and establishes investment policies. These policies are designed to:

- (1) ensure that donor contributions and fund assets are continuously invested;
- (2) maximize investment returns in relation to risk;
- (3) maintain varied investment alternatives that are suitable for various philanthropic plans;
- (4) ensure that operating expenses are minimal and competitive;
- (5) ensure that funds are readily available for grant making.

When a donor advised fund is established, the first \$5,000 (or such lesser amount for funds with a lower threshold) must be invested in one or both of our primary investments: an institutional money market fund and/or a short-term bond fund, both managed by BlackRock. Donors may request to have the proceeds in excess of the first \$5,000 invested in our investment options, with a minimum of \$2,500 per investment option. Donors may exercise this privilege each time a contribution is made and may recommend a reallocation of the assets in the fund four times each calendar year.

Privately Managed Accounts

Donors with over \$55,000 in assets may opt to invest in one of five privately managed accounts. These accounts are: Eagle Capital Management, Gabelli Asset Management (GAMCO), Horizon Asset Management, and Neuberger Berman LLC. A minimum investment of \$50,000 is required to invest in any one of these accounts.

Private Investment Managers

Donors with a fund balance of over \$500,000 may choose from a selection of approved additional investments that span equities, fixed income and hedge fund strategies. In general, the investments on this platform offer limited liquidity or may utilize more complicated strategies than those on the standard platform.

Donors with fund balances over \$1 million may also recommend that the assets be invested with, or managed by, managers that currently are not part of the Jewish Communal Fund's investment program. These recommendations will be considered on a case-by-case basis and subject to particular criteria that include, but are not limited to, the type of investment program and strategy, stability of management, long-term performance, volatility of results, regulatory compliance, reputation, liquidity, fees and expenses, and transparency of transactions. JCF will refer the request to our investment consultants for their review. They, in turn, will report their findings to the JCF Investment Committee. The decision as to whether to approve a particular investment manager is within the sole and absolute discretion of the Investment Committee.

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the Jewish Communal Fund (an entity of a sole member) ("JCF"), which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

JCF's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Jewish Communal Fund, as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

[June 30, 2014 and 2013]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES

[1] Organization:

The Jewish Communal Fund ("JCF") was organized in 1972 as an independent, public charity (not a private foundation) under the not-for-profit corporation law of the State of New York. Through donor-advised funds, JCF offers individuals and families a way to simplify their charitable giving and to plan their philanthropy over time. JCF extends to donors or their successors the privilege of recommending grants from their funds to the qualified charities of their choice. The United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. ("UJA") is the sole member of JCF.

JCF is, in turn, the sole member of Jewish Communal Fund Holdings LLC (the "LLC"). The LLC is a not-for-profit corporation organized in New York in September 2001 and was established to hold certain donations from time-to-time as JCF deems necessary. The financial statements of the LLC have been included in the accompanying consolidated financial statements, with all inter-organizational transactions eliminated in the consolidation process.

JCF is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code") and is classified as a publicly supported organization under Sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code. Additionally, JCF is exempt from state and local income taxes under comparable laws. Donors are entitled to the maximum income tax benefits for their donations that are permitted under present federal and state laws.

[2] Basis of accounting:

The accompanying consolidated financial statements of JCF have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations.

[3] Functional allocation of expenses:

The costs of providing JCF's various grant and supporting services have been summarized on a functional basis in the accompanying consolidated statements of activities. Accordingly, certain costs have been allocated among the program and supporting services in reasonable ratios determined by management. In fiscal-years 2014 and 2013, respectively, management and general expenses in the accompanying consolidated statements of activities included \$1,382,376 and \$664,159 related to JCF's philanthropic services for donors.

[4] Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

[5] Cash and cash equivalents:

Cash and cash equivalents primarily include funds held temporarily by various investment institutions, awaiting disposition. It does not include money-market funds, which are included within the investment category.

Notes to Consolidated Financial Statements

[June 30, 2014 and 2013]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[6] Investments:

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the accompanying consolidated statements of financial position, with realized and unrealized gains and losses included in the accompanying consolidated statements of activities. JCF's bond and equity mutual funds are also reported at their fair values, as determined by the related investment manager or advisor and reviewed by JCF for reasonableness. Donated securities are recorded at their fair values, as determined by the proceeds received on the date of sale or by the net asset value as determined by the fund manager. JCF's policy is to sell donated securities immediately, and, accordingly, for purposes of the accompanying consolidated statements of cash flows, donated securities and the proceeds generated from their sale are included as operating activities within the increase in net assets.

JCF has investments in certain not-readily-marketable securities which are ownership interests in private equity securities and certain limited partnerships ("LPs") for which market values are not readily obtainable. Because of the inherent uncertainty of the valuation of these investments, JCF and its various investment managers monitor their positions to reduce the risk of potential losses due to changes in fair values or the failure of counterparties to perform. The estimated values provided by these managers may differ from actual values had a ready market for these investments existed.

With respect to equity securities received from donors which, for example, are (i) not readily marketable, (ii) the securities of private companies, or (iii) the securities of companies in liquidation, JCF's policy is to record such items at appraised value at the times of donation, in the absence of readily determinable fair values.

Certain of the funds in which JCF has a position enter into various financial instruments in the normal course of their operations, including derivatives held or issued for trading purposes. These investments are subject to market risks which arise from changes in securities values and other market conditions. As part of their overall trading strategy, the investment funds may engage in the purchase and sale of index and equity options, for the purpose of generating profit and/or reducing market risk. The various managers monitor their positions continuously, to reduce the risk of potential loss due to changes in fair values or to the failure of counterparties to perform. Estimated values provided by these fund managers may differ significantly from their actual values, had a ready market for these instruments existed.

Investment transactions are recorded on a trade-date basis. Realized gains or losses on investments are determined by comparison of the average cost of acquisition to proceeds at the time of disposition. The earnings from dividends and interest are recognized when earned.

Investment expenses include the services of bank trustees, investment managers and custodians. The balances of investment management fees disclosed in Note B are those specific fees charged by JCF's various investment managers in each fiscal year; however, they do not include those fees that may be embedded in various other investment accounts and transactions.

From time-to-time, investment transactions may be initiated prior to a fiscal year-end but may not be settled until the following fiscal year. Accordingly, amounts to be received by JCF are reported as "due from or due to investment managers" in the accompanying consolidated statements of financial position. Likewise, accrued interest or dividends due to JCF at the fiscal year-end are reported as accrued income in the consolidated statements of financial position.

Because of periodic changes each year in an investment's position in the fair-value hierarchy (as disclosed in Note B), there may be transfers of investments among the levels of the hierarchy.

Notes to Consolidated Financial Statements

[June 30, 2014 and 2013]

[7] Accrued vacation:

Based on their tenure, employees are entitled to be paid for unused vacation time if they leave JCF. The accrued vacation obligation was approximately \$103,000 and \$99,000 for fiscal-years 2014 and 2013, respectively, and is reported as part of accounts payable and accrued operating expenses in the accompanying consolidated statements of financial position. Employees may accrue up to one year of their vacation time.

[8] Income tax uncertainties:

JCF is subject to the provisions of the Financial Accounting Standards Board's (the "FASB") Accounting Standards Codification ("ASC") Topic 740, "Income Taxes," relating to accounting and reporting for uncertainty in income taxes. JCF is subject to potential excise taxes relating to its investment activities; however, since JCF has always accrued a liability related to this excise tax and because of JCF's general tax-exempt status, ASC Topic 740 has not had, and is not expected to have, a material impact on JCF's financial statements. JCF is no longer subject to examination by federal or state tax authorities for fiscal years prior to 2011.

[9] Fair-value measurements:

JCF reports a fair-value measurement of all applicable financial assets and liabilities, including investments, receivables, and short-term payables.

[10] Net assets:

(i) Unrestricted:

JCF has established four distinct types of unrestricted philanthropic funds:

- *Undesignated funds* (at times referred to as the operating fund), where the privilege of grant recommendation is given to the donor (and his or her designees) and the distribution of principal and income is governed by JCF grant guidelines. Grant-making is subject to the approval of JCF's Board of Trustees and its Charitable Distribution Committee.
- *Designated funds*, where the beneficiaries and the schedule of distributions are established at the time of the gift and are approved by the Charitable Distribution Committee before JCF accepts the gift.
- *Semi-designated funds*, where the field of grant is limited to one or more functional areas and places the responsibility on JCF (through its Board of Trustees or the Charitable Distribution Committee) for designating the specific grant beneficiaries and scheduling such grants.
- *Endowment funds*, where the Board of Trustees and the Special Gifts Fund Committee have the responsibility for grant-making. The income and principal of these funds have been authorized by JCF to be available to meet the needs of the Jewish community, at home and abroad, at the recommendation of UJA and upon the approval of the Board of Trustees.

[June 30, 2014 and 2013]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[10] Net assets: (continued)

(ii) Temporarily restricted:

During fiscal-year 2013, JCF established a fiscal-sponsorship program whereby it serves as a sponsor for groups engaged in philanthropic activities related to JCF's mission. Funds received are temporarily restricted until expenditures occur, and they are then released from restriction. During fiscal-years 2014 and 2013, respectively, \$1,855,485 and \$282,500 of contributions were received specifically for various fiscal sponsorships, and \$1,342,003 and \$1,681 of expenses were released in satisfaction of the donors' intended purposes.

In addition, the property held subject to life interest (net of beneficial-use interest) is considered to be a temporarily restricted net asset, restricted for time (see Note C).

[11] Endowment funds:

JCF is subject to the provisions of ASC Topic 958, "Not-for-Profit Entities," which provides guidance on the net-asset classification of endowment funds for a not-for-profit organization that is subject to the provisions of the New York Prudent Management of Institutional Funds Act ("NYPMIFA"). ASC Topic 958 requires disclosures about endowments for all organizations (see Note G).

[12] Support and revenue:

Contributions and revenues are reported as increases in unrestricted net assets, with the exception of funds described in Note A[10](ii). JCF retains the decision making authority as to the use of these funds. Contributions are recorded as revenue when received unconditionally, at their fair values. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets. Grants and operating expenses are reported as decreases in unrestricted net assets.

[13] Grants:

Grants made to others are recorded as an expense when they become unconditional promises to give by JCF, based on guidelines promulgated by the Board of Trustees. Generally, grants are paid within the year promised, and consequently there are no grant payables reported on the accompanying consolidated statements of financial position.

[14] Subsequent events:

JCF considers all accounting treatments, and the related disclosures in the current fiscal-year's consolidated financial statements, that may be required as the result of all events or transactions that occur after June 30, 2014 through October 27, 2014, the date the consolidated financial statements were available to be issued and determined no additional disclosures are required.

In addition, the Portfolio may invest in U.S. Treasury and agency securities. The Portfolio may also purchase U.S. Treasury futures for the purposes of managing duration and yield-curve exposure. A maximum of 30% of the total fair value of the Portfolio may be invested in ABS, CMBS and AMBS, and a maximum of 20% of the total fair value of the Portfolio may be invested in corporate-backed debt. The Portfolio must maintain an overall portfolio credit quality of AA or better. The average effective duration of the Portfolio may not exceed three years, and leverage is not permitted.

NOTE B - INVESTMENTS (continued)

ASC Topic 820, "Fair Value Measurements and Disclosures", establishes a three-level valuation hierarchy of fair-value measurements. These valuation techniques are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair-value hierarchy:

- Level 1: Valuations are based on observable inputs that reflect quoted market prices in active markets for identical assets and liabilities at the reporting date.
- Level 2: Valuations are based on (i) quoted prices for similar assets or liabilities in active markets, or (ii) quoted prices for identical or similar assets or liabilities in markets that are not active, or (iii) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date.
- Level 3: Fair value is determined based on pricing inputs that are unobservable and includes situations where there is little, if any, market activity for the asset or liability. Level 3 assets include vehicles where the underlying investments could not be independently valued, or cannot be immediately redeemed at or near the fiscal year-end.

The following tables summarize the fair values of JCF's assets at each fiscal year-end, in accordance with the ASC Topic 820 valuation levels:

	June 30, 2014

The following provides information on the valuation techniques and nature of significant unobservable inputs used to determine the value of Level 3 assets:

	Valuation Techniques	Fair Value at June 30, 2014	Unobservable Inputs	Range of Inputs
Not-readily-marketable securities	Relative value analysis	\$ 3,845,700	Expected recovery	N/A
Foreign bonds	Relative value analysis	\$ 766,000	Expected recovery	0.49% - 1.35%
Private corporate bonds	Relative value analysis	\$ 925,000	Expected recovery	10%

The fair value of certain bonds and non-readily-marketable securities is based on expected recovery and maturity to yield, which are determined by JCF's assumptions about the estimated remaining life, current market yield and interest rate spreads of similar securities.

Notes to Consolidated Financial Statements

[June 30, 2014 and 2013]

NOTE B - INVESTMENTS (continued)

The FASB provides accounting guidance on measuring the fair value of certain investments, such as funds of funds and hedge funds, to offer investors a practical expedient for measuring the fair value of investments in certain entities that calculate net asset value ("NAV"). Under this practical expedient, entities are permitted to use NAV without adjustment for certain investments that qualified under the guidance. JCF's investments in funds fitting this description, classified within Level 3 of the fair-value hierarchy, are carried at fair value based on NAV. Investments in these types of funds are subject to withdrawal restrictions, and, for its Level 3 investments JCF does not have the ability to withdraw at reported NAV at June 30, 2014, or within a reasonable period of time thereafter.

JCF's investments in limited partnerships are valued based on the valuation policies and procedures of the general partner. The general partner performs oversight of the underlying managers' material positions both on an investment level and from a risk perspective. The general partner is responsible for ensuring the investments are valued according to the policies and procedures adopted by the partnership. JCF places reliance upon those procedures and records these investments at fair value as determined by the general partner.

NOTE C - PROPERTY HELD SUBJECT TO LIFE INTEREST

In December 2013, JCF received an irrevocable life interest in real estate and personal property, and a related cash gift of \$600,000. The donor and the donor's spouse retain the right to use the property, and the property may not be sold until their deaths. The donor and the donor's spouse are responsible for continuing to pay the executory costs for the property, which include maintenance costs, capital improvements, property taxes, insurance, and utilities. The fair value of the land was appraised at \$45,000,000 at December 1, 2013 and \$18,500,000 for the building improvements, resulting in a combined value of \$63,500,000. As actuarially determined, the beneficial-use interest of \$17,786,344 was recorded as deferred revenue and is being amortized over 15.7 years, which is the calculated joint-life expectancy of the donor and his spouse. In 2014, the net contribution recorded for the property, including amortization of the beneficial-use interest of \$660,851, was \$46,374,507, and is included in temporarily restricted contribution revenue in the accompanying consolidated statement of activities. The beneficial-use interest liability as of June 30, 2014 was \$17,125,493.

Although recently appraised, due to JCF's inability to redeem its remainder interest in the near term, this asset and corresponding liability are considered to be Level 3 within the fair-value hierarchy.

NOTE D - MANAGEMENT FEE ALLOCATION

To pay its operating expenses, JCF charges an administrative fee to all donor-advised funds as described below, with amounts exceeding \$5,000,000 eligible for a reduced sliding scale fee structure. Fees were calculated on average daily balances as follows:

Account Balance	Administrative Fee (Per Annum)
Assets up to \$5,000,000	75 basis points or \$150, whichever is greater
Additional assets between \$5,000,000 and \$20,000,000	50 basis points
Additional assets between \$20,000,000 and \$40,000,000	10 basis points
Additional assets exceeding \$40,000,000	5 basis points

Notes to Consolidated Financial Statements

[June 30, 2014 and 2013]

NOTE D - MANAGEMENT FEE ALLOCATION (continued)

The administrative fee is charged monthly, and it reduces the value of the donor-advised funds and increases the value of JCF's operating fund. Administrative fees and interest income, in excess of operating expenses up to \$2,000,000, are granted out to UJA. Administrative fees and interest income in excess of operating expenses greater than \$2,000,000 are split between grants to UJA and increases to JCF's Special Gifts Fund. The fee was \$6,619,707 and \$5,928,873 for fiscal-years 2014 and 2013, respectively.

NOTE E - EMPLOYEE BENEFIT PLANS

[1] Defined-contribution plan:

UJA sponsors a defined-contribution Section 403(b) plan, in which JCF employees may participate, in compliance with the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan participants are required to make contributions in the form of payroll deductions and may contribute up to the maximum allowed by federal law. JCF does not contribute to the plan.

[2] Defined-benefit plan:

JCF employees may participate in the Retirement Plan for Employees of the United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. and Affiliated Agencies and Institutions, a defined-benefit pension plan sponsored by UJA and subject to the provisions of ERISA. The plan is filed under the Employer Identification Number 51-0172429 and the three-digit Pension Plan Number 333. Eligible employees of JCF participate automatically in this plan on a noncontributory basis and are fully vested after five years of service. Required annual zone certification and financial improvement or rehabilitation plan disclosures are not applicable to the plan. The plan is at least 80% funded using the most recent financial information as of October 1, 2013, the beginning of the plan year. Total expenses for fiscal-years 2014 and 2013 for this plan were \$128,391 and \$93,451, respectively.

[3] Deferred-compensation plan:

JCF contributes to a deferred-compensation plan for two of its key employees. Annual contributions to the plan are at the discretion of JCF's Compensation Committee, and are subject to the Internal Revenue Code limitations. For fiscal-years 2014 and 2013, contributions to the plan were \$10,000 and \$17,500, respectively.

NOTE F - RELATED-PARTY TRANSACTIONS

UJA is the sole member of JCF and provides JCF with pension-participation, and various management services, such as payroll and related processing, and insurance coverage, for which JCF reimburses UJA. For fiscal-years 2014 and 2013, respectively, JCF reimbursed UJA in the amount of \$2,089,934 and \$1,911,140 for these costs. During fiscal-year 2014, JCF awarded grants to UJA totaling \$17,434,716, of which (i) \$2,100,000 represents grants from JCF's operating fund, (ii) \$1,063,000 represents grants from the Special Gifts Fund, and (iii) \$14,271,716 represents grants from donor-advised funds. For fiscal-year 2013, JCF awarded grants to UJA totaling \$18,474,534, of which (i) \$2,000,000 represents grants from JCF's operating fund, (ii) \$1,054,500 represents grants from the Special Gifts Fund, and (iii) \$15,420,034 represents grants from donor-advised funds.

Notes to Consolidated Financial Statements

[June 30, 2014 and 2013]

NOTE G - COMMITMENT

- [1] For its New York City office, JCF was obligated under a noncancelable operating lease that was set to expire in February 2014. In June 2013, JCF signed a ten-year extension on that lease, extending its term through February 2024. As of June 30, 2014, minimum future lease payments are as follows:

Year Ending June 30,	Amount
2015	\$ 220,565
2016	264,678
2017	264,678
2018	269,481
2019	279,087
Thereafter	<u>1,345,630</u>
	<u>\$ 2,644,119</u>

NOTE H - BOARD-DESIGNATED ENDOWMENT

- [1] **The endowment:**

As discussed in Note A[11], JCF has an endowment fund (Special Gifts Fund), from which grants are approved by the Board of Trustees.

Changes in endowment net assets during each fiscal year were as follows:

	Year Ended June 30,	
	2014	2013
Endowment net assets, beginning of year	\$ 15,841,816	\$ 14,403,595
Contributions	253,302	194,246
Investment return:		
Net appreciation (realized and unrealized)	2,620,365	2,298,475
Appropriation of endowment assets for grant expenditures	<u>(1,083,000)</u>	<u>(1,054,500)</u>
Endowment net assets, end of year	<u>\$ 17,632,483</u>	<u>\$ 15,841,816</u>

- [2] **Return objectives and risk parameters:**

JCF has adopted investment and spending policies for endowment assets designed to provide a predictable stream of funding to programs that meet the needs of the Jewish community, at home and abroad, while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk.

Notes to Consolidated Financial Statements

[June 30, 2014 and 2013]

NOTE H - BOARD-DESIGNATED ENDOWMENT (continued)

[3] Strategies employed for achieving objectives:

To satisfy its long-term rate-of-return objectives, JCF relies on a total-return strategy in which investment returns are achieved through capital appreciation (both realized and unrealized) and current yield (interest and dividends). JCF targets a diversified asset allocation within prudent risk constraints.

[4] Spending policy and related objectives:

JCF has a policy of appropriating for distribution each year 7% of its endowment fund's average fair value over the prior 12 quarters through the calendar year-end preceding the fiscal year in which the distribution is planned. In establishing this policy, JCF considered the long-term expected return on its endowment. Accordingly, over the long term, JCF expects the current spending policy to allow its endowment to maintain the purchasing power of the endowment's net assets, as well as to provide additional real growth through investment returns.

NOTE I - CREDIT RISK

Financial instruments that potentially subject JCF to concentrations of credit risk consist principally of cash and cash-equivalent accounts that are deposited in financial institutions in amounts which, from time to time, may exceed federal insurance limits. However, management believes that JCF does not face a significant risk of loss on these accounts related to failure of these financial institutions.
